

Zoning Permits

The City of Crystal Falls would like to remind property owners that the installation of fences and the building of garages and other accessory structures within the City require a zoning permit prior to construction. For more information, please visit the City's website at www.crystalfalls.org or contact the Zoning Administrator, Patrick Reagan, at [\(906\) 875-3212, ext 101](tel:(906)875-3212).

BLIGHT

Just a reminder that City Ordinance 2.18 states that a blighted structure is “any garage, accessory or outbuilding, or any factory, shop, store, office building, warehouse or any other structure or part of a structure which: because of fire, wind, other natural disaster, or physical deterioration, is no longer habitable as a dwelling or useful for the purpose for which it was originally intended” and “is not structurally sound, weather-tight, water-proof or vermin proof.”

For a complete copy of the City's Blight Ordinance, please visit the City's website at www.crystalfalls.org or contact Chief of Police Tim Bean at [\(906\) 875-3012](tel:(906)875-3012).
