MAYOR'S MESSAGE

Reminder of things that sometimes just slip our mind.....

Most recently, I've received some comments from citizens Of Crystal Falls regarding if it was acceptable to park across the sidewalk. This does make it difficult for people to take a walk around town. Take a walk in their neighborhood so we need to be mindful of that when we're parking our cars in our driveways. If the sidewalk crosses the driveway, we need to leave the access open so pedestrians taking a walk do not need to find an alternate way around our vehicles. It's something small but when you think of someone with a disability, etc, it's not as safe as the sidewalks that were built for them to walk on. So something easy that goes along way if we just comply and leave those sidewalks open for everyone to use.
