The Verve Pipe

Saturday May 17th 7pm

The Verve Pipe has spent the better part of three decades in evolution, creating a sound that transcends genre and generation.

It's a sound rooted in pop hooks, alt-rock guitars, and the sharp songwriting of frontman Brian Vander Ark. A sound that's taken the band from the golden days of late-'90s modern rock – when The Verve Pipe enjoyed multi-platinum success with hits like "Photograph," "Never Let You Down" and the #1 single "The Freshmen" – to the rule-breaking creativity of the 2010s and beyond, an era that's found the band reinventing itself with each release.

With a reputation for spectacular live performances, The Verve Pipe continue to create new music as an independent band, maintaining their commitment to forward-thinking rock & roll with each new release.

Reminder! Please make sure to never flush the following items down your toilet:

- Diapers
- Sanitary napkins
- Tampons
- Paper towel
- Tissues
- Baby wipes
- Cloth of any kind
- Plastic

Flushing of these items can easily clog your sewer lateral or the sewer main and can cause a costly backup for you or your neighbors. Also, please make sure to never dispose of grease down your sink drain or toilet. Grease can build-up quickly in sewer laterals and cause a backup into your home.

Reminder: Spring is here! Any yard cleanup debris from residents can be dropped off at the Bristol Mine.
