Beethoven and Banjos Sunday Oct. 12th 2pm
ABBAMania.....Thursday Oct. 16, 2025 7pm

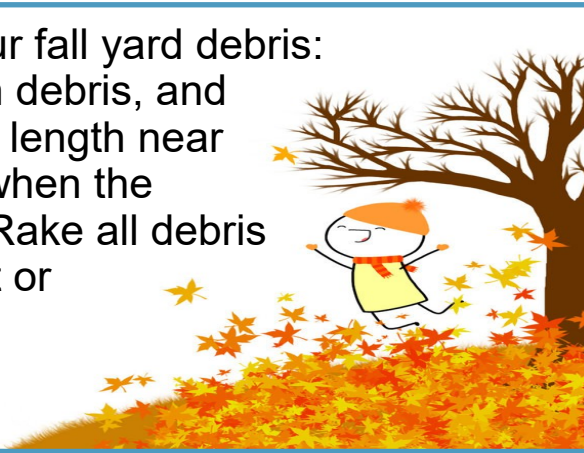

Beethoven and Banjos, an annual project organized by the Northwoods Music Collaborative, is more than a simple presentation of the respective styles of classical and traditional music. The program integrates music and musicians from around the world to create new music and new interpretations of old music. This year Beethoven and Banjos will be featuring Icelandic music with musicians Sæunn Thorsteinsdóttir and Halldór Smáráson. Evan Premo performs with Saeunn through his work with Decoda (an affiliate ensemble of Carnegie Hall). Saeunn and Halldór, along with Evan Premo and Laurel Premo will present classical and folk music from Iceland.

A rock musical which takes you back to the disco era of one of the best pop bands in history, ABBA. ABBAMANIA features nine incredible musicians and singers which are the main highlights of this musical. ABBAMANIA perform 21 of ABBA's hits, with all the costume changes, choreography, a live band, back-up singers and big studio sound. For all the ABBA fans, this is a show you should see this year!...

The City will pick up your fall yard debris: leaves, needles, garden debris, and branches less than 4' in length near the end of October (or when the leaves have all fallen). Rake all debris to the edge of the street or along alleyways.
