July 10, 2026 @ 7:00 PM

Lorrie Morgan is one of country music’s most accomplished and enduring vocalists. Known as “The Duchess of Country Music”, a defining voice of the 1990s country music era, she became the first woman in her generation to achieve three consecutive platinum albums, solidifying her place among the genre’s elite. Her string of chart-topping hits — including “Five Minutes,” “What Part of No,” “Something in Red,” “Watch Me,” and “I Didn’t Know My Own Strength” — remain staples of country radio and live performances today.
